

Instructional Technology (CSLO)

2013-2014 School Year

HARDWARE STANDARDS (Per WNYRIC Standards)

The Instructional technology service follows all Western New York Regional Information Center Hardware Standards. The most current list of Standards may be found on the WNYRIC Web site at www.wnyric.org.

General minimum recommendations:

Workstation and Laptop/Notebook (Per WNYRIC Standards)

Server (Per WNYRIC Standards)

Current WNYRIC Standards List

Items included in this listing are for use across Library Automation, Instructional and Management Services as provided by the Western New York Regional Informational Center. These items are common to all services (within CoSer regulations). Individual services may have additional lists supported hardware and software specific to that service.

PRINTERS (Per WNYRIC Standards)

NETWORK PRINTERS/SCANNERS (Per WNYRIC Standards)

SCANNERS (Per WNYRIC Standards)

PERIPHERAL DEVICES
